

7-COUPLE SETS

The numbers below refer to each couple's ORIGINAL position.

YELLOW indicates the UPPER dancing set, BLUE the LOWER dancing set.

- Every second turn the upper set must borrow the "standing" couple from the lower set.
- Couples 1-3 NEVER go below 3rd place: after each couple has danced twice they STAY in 3rd place.
- in the lower set, after each couple has danced twice they drop to the bottom as usual.

- Option 2: Original couple dance 2 extra turns (7 & 8) and original 4th couple are borrowed by the upper set for Turn 8.
